move properly as they begin to take on a metallic, grating sound when he moves, and hundreds of blades protrude from numerous areas on his skin as they prepare an inescapable death by skewering. He comments that *"I am the bone of my sword"* when thinking over that fact. During his duel to the death against Kirei Kotomine, it makes the latter unable to strike Shirou without also hurting himself on the blades, and it increases Shirou's durability so that only a fatal strike to his head will kill him. Before his body completely gives out, he states that even his senses are turning into steel as well.<sup>[1]</sup>

Unlimited Blade Works replacing parts of Shirou's breaking down body with numerous blades.

I am the bone of my sword

Steel is my body and fire is my blood

I have created over a thousand blades

Unknown to Death,

Nor known to Life.

Have withstood pain to create many weapons

Yet, those hands will never hold anything

So as I pray, Unlimited Blade Works.
